Introduction
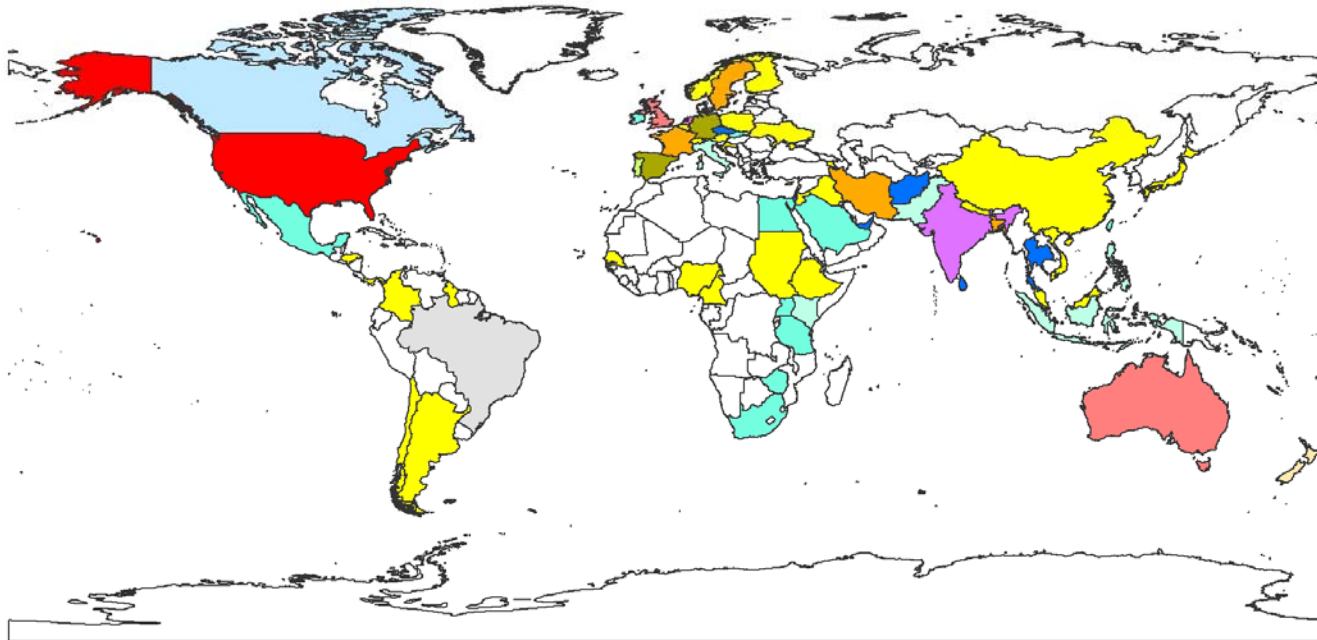

- GISCorps Mission: Operating under the auspices of Urban and Regional Information System Association (URISA), GISCorps coordinates short-term volunteer GIS services to under-served communities worldwide

- GISCorps was endorsed by URISA Board of Directors in October 2003

- Currently has over 1,330 volunteers from all sectors and in 67 countries worldwide

- Has completed 37 missions and deployed 121 volunteers to 23 countries

- There are two kinds of missions; Remote (from home or office) and On-site
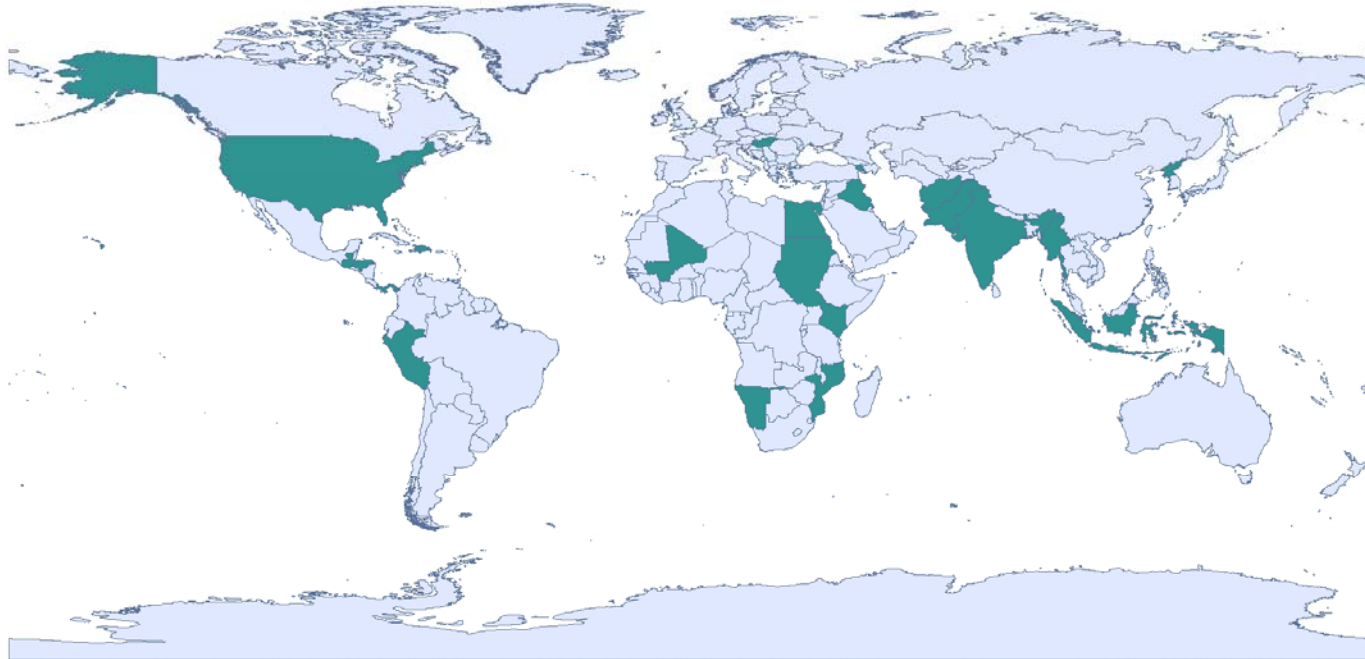

Location and Number of GISCorps Volunteers

Legend

⬜ No Volunteers	🟪 = 1 Country	🟨 = New Zealand			
🟨 = 30 Countries	🟦 = 5 Countries	⬜ = Brazil			
🟩 = 10 Countries	🟪 = India	🟥 = United Kingdom - Australia			
🟦 = 6 Countries	🟩 = Portugal	🟦 = Canada			
🟧 = 4 Countries	🟫 = Germany - Spain	🟥 = United States			

Total Volunteers as of Summer of 2008 = 1,331
