

Contribute to GISCorps

The activities of GISCorps are possible thanks to volunteer work, in-kind services, grants, donations and contributions (excluding software and hardware) as defined by our Our Organizing Principles and Policies.

GISCorps operates under URISA, a non-profit organization and exempt from taxes in the US. Contributions can be made in a form of a check made to URISA/GISCorps and sent to: URISA, 701 Lee Street, Suite 680, Des Plaines, IL 60016, USA.

For any questions concerning contributions/donations please contact GISCorps committee members at: info@giscorps.org.

Donations we have received

The following are the options for financial contributions/donations to the GISCorps:

- Monetary Contribution

- For Monetary Contribution via mail (by credit card or check) click [HERE](#)

- Mileage Contributions

You can contribute as many airline mileages as you have. We will sum them up to make good use of them.

- General Operations Contributions

There is no limit for this type of contribution. This type will primarily defray General Operations expenses such as: costs associated with the web site, publication of PR material, intern compensations, and etc. The Core Committee of GISCorps determines priorities.

- Endowment Contributions

You may be able to endow a project as long as it complies with our mission, vision, and principles.

- Annual Sponsorship/Membership

There is no limit for this type of contribution.

- Via the URISA membership application form

There is no limit for this type of contribution.

- URISA Chapters' annual contribution

There is no limit for this type of contribution. All contributions and donations are US Tax Exempt. All donors will receive an appreciation letter acknowledging the receipt of their contribution. This letter can be used for tax purposes.
