Democratic Republic of Congo

This map was produced in close collaboration between CDC, WHO, ESRI and GISCorps and support from volunteers who helped to digitize the building points.

The boundaries and names shown and the designations used on this map do not imply the expression of any opinion whatsoever on the part of the World Health Organization concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not be full agreement.
